

StartScreen::pushbutton  
\_software\_intro\_clicked

```
graph LR; A[StartScreen::StartScreen] --> B[StartScreen::pushbutton_software_intro_clicked];
```

The diagram illustrates a signal connection in a Qt-based application. It consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'StartScreen::pushbutton\_software\_intro\_clicked'. The box on the right is white with a black border and contains the text 'StartScreen::StartScreen'. A dark blue arrow points from the right box to the left box, indicating the direction of the signal connection.

StartScreen::StartScreen
